# DAYS AWAY . . .

## The bus to right relationships

Mark your calendar now for one of four opportunities to join with other ministry personnel on the rolls of Toronto Conference in a day away for worship, community building, and training on the new sexual abuse policy (including sexual harassment, pastoral sexual misconduct, sexual assault and child abuse) of The United Church of Canada. The new policy will come into effect in June of 2007. We hope to facilitate your knowledge and understanding of the policy and procedures by making the training readily available in a relaxed atmosphere in one of four sessions in your choice of location.

With this goal in mind, Conference will provide bus transportation from some central locations to Midhurst and Markdale. There will be a charge to defray the cost of transportation and food. If you wish to attend the gatherings at Conference Office or the AGM in 2007, please arrange your own transportation. More information will be posted on the conference website during the summer.

To help us in our planning, we are asking that you please indicate on the enclosed form which session best fits your schedule at this time and whether you would plan to use bus or van transportation we are providing. (Yes, we know that things happen and that you may need to change the session you attend! We will do our best to accommodate.)

Please keep this brochure for your information. We ask that you either drop off the enclosed form in the box provided at the information table or mail to the conference office (Attention: Patti) by June 30 if at all possible.

Thanks for your help in giving us the information we need to plan the sessions. We hope these sessions will provide a positive, comfortable learning environment for each participant.

Thank you,

The Coordinating Committee
