

An Invitation
From
Toronto Southeast Presbytery Commission

Dear friends,

There is something exciting happening as the Commission prepares for the launch of our new Presbytery. On Saturday, March 28 at Wilmar Heights Conference Centre, the Commission will present and seek response to the Governance Model which is designed to guide the new presbytery into 'living in a new way' while managing all the presbytery mandated responsibilities.

If you are a current presbyter, a former presbyter or one who has been designated to fulfill this role, you are invited to engage in the discussion at this gathering. The Commission seeks your wisdom, desiring to be enriched by your experience and your desire to develop fully functioning and forward looking ways to be the Church in our context.

The session will assemble for refreshment between 9:30 and 10:00 a.m., followed by a general presentation and small group discussions. A buffet lunch will be served with the session concluding at 3:00 p.m.

Wilmar Heights is located at 967/963 Pharmacy Ave, south of Lawrence Avenue, north of Eglinton Avenue on the east side. (Enter from Elmbank, east side of Pharmacy. Parking is at the back of the church or on the surrounding streets. Transit access – take the Pharmacy bus from the Victoria Park station.)

Do plan to join us. Register beforehand at LGray@united-church.ca and receive an electronic copy of the Governance Handbook. (Paper copies available on March 28.)
