

Policy name: Marriage officiant registration policy (2011)	Date approved: June 8, 2011
Policy type: Executive Secretary Limitations (2011)	Review date: 2014-2015
Purpose of this policy: This policy names the Executive's expectations to be followed by the Executive Secretary regarding registration of marriage officiants. (2011)	

Marriage officiants will be authorized by the Executive Secretary in accordance with the Province Of Ontario's requirements and the Conference's marriage officiant registration policy.

1. For Province of Ontario purposes, the Executive Secretary or designate shall be the "governing official" of Toronto Conference, fulfilling all provincial requirements with respect to the registration of marriage officiants.
2. Marriage officiants shall be registered for permanent licences if they are Ministry Personnel...
 - a. in calls or appointments
 - b. in relationship with a Pastoral Charge as a Voluntary Associate Minister
 - c. serving a Presbytery-recognized Ministry.
3. Marriage officiants shall be registered for temporary licences upon receipt of the following assurances:
 - a. Ministry Personnel must provide written confirmation of good standing within The United Church of Canada or in a denomination recognized by the Canadian Council of Churches and/or the World Council of Churches.
 - b. Ministry Personnel shall supply a letter of support from the Ministry Personnel serving the congregation in which the wedding is taking place.
 - c. For "off site", non-church weddings, Ministry Personnel shall provide a letter of support from a congregation whose marriage register is being used to register the wedding.
 - d. All marriages shall be registered in a marriage register kept by a congregation or Presbytery-recognized Ministry.
 - e. The maximum number of temporary registrations to be authorized for any individual in any calendar year is three. Ministry Personnel wishing to conduct more than three weddings per calendar year will be required to become Voluntary Associate Ministers.
