

### **Policy development – learning funds**

This policy relates to funds received from the General Council for learning and revenue generation purposes.

Policy: Conference will fulfill its mission by disbursing funds received from the General Council for learning and revenue generation.

The learning and revenue generation funds will:

1. make the best use of the human and financial resources available;
2. require a plan and commitment to share the learning with the wider church;
3. be used for a) creative and experimental ministries, and b) innovative ways of generating revenue
4. applications not to exceed grants of \$1,000 per year.
